☒ **No Burden on Local Taxes**  
Funded by State and Federal Dollars

☒ **Private School Advantages, No Tuition**

Small classes, Individualized Attention,  
Specialization (music, arts, science)

☒ **Open to All**  
No Entrance Exams, Interviews, or  
Auditions Required

☒ **Achieving Better Results**

A study of over 1000 charters showed  
"superior academic results that eliminate  
the learning gap across student groups"

### How Can I Make This Happen?

We need to elect Scott Beck, Robert Kohr Jr, and  
Karis Searcy to the school board, unseating the  
incumbents.

They are committed to bringing charter schools to  
Longview, and with a 3 out of 5 majority, they can  
make it happen.

Longview can then join Spokane as one of only two  
districts with the power to approve charter schools.  
Spokane has successfully opened three charter  
schools in their district.

Let's make that happen here!
